# Personal Narrative

The diagram is a 3D-style template for a personal narrative. It consists of several interconnected rectangular boxes:

- Opening:** A vertical label on the left side of the top row. It points to a box labeled "Topic/Event" and another box labeled "Time". A ladder is drawn between these two boxes, suggesting a connection or flow.
- Main Characters:** A large box on the left side of the middle row.
- Place:** A box on the right side of the middle row, featuring a small icon of a door on its right edge.
- Body - Beginning:** A vertical label on the left side of the bottom row. It points to a box containing the text "How does the story begin?" and "What is the problem?".
- Sensory details:** A box on the right side of the bottom row, featuring a small icon of an eye with three lines below it, representing sensory input.
